CRIMP SPECS – POWERED BY CRIMPIQ™

CRIMPIQ™ PUTS THE FUTURE OF CRIMPING AT YOUR FINGERTIPS

Specific Shop In A Box models feature our cutting edge CrimpIQ™ cloud-based controller that offers a new level of efficiency, safety, quality and speed to your customers. This touchscreen unit puts precise digital crimping right at your fingertips so you no longer have to hunt through manuals or waste time finding the exact specs because it stores specs, eliminating guesswork and the possibility of inputting the wrong specs.

Benefits & Features

- › Precise digital crimping and cloud solutions - offers quality crimps
- › User-friendly, high-resolution 10-inch touchscreen interface
- › MyCrimp™ specification app integration - import and store crimp specifications with no manual entry
- › Technical support directly from the crimper
- › Connected Wi-Fi or Ethernet to CrimpCloud™ to keep die preferences secure and accessible 24/7
- › Track machine performance and maintenance schedules and identify good/bad crimps

**CONTINENTAL — WE ENABLE GROWTH BY
MAKING IT EASY FOR OUR PARTNERS.**

Continental is a recognized innovation and technology leader in creating advanced rubber compounds, plastics and smart technology. Inside this box you'll find a solution that's truly beyond rubber. You simply just need to add the operator!
